RESPONSE TO NOTIFICATION OF DEFECTIVE RESPONSE

I. INTRODUCTION

This is being filed in response to the Notification of Defective Response dated February 6, 2008. It is being filed within the period of time for response. Please amend the above-identified application.

A reference to the attached Sequence Listing begins on page 2.

II. SEQUENCE LISTING

Attached is a listing of the sequences identified in the specification in a substitute computer readable form (txt. file).

The sequence listing submitted herewith is identical to the sequence listing on the hard copy previously provided to the USPTO.

The undersigned hereby certifies that the sequence listing is supported by the application and does not introduce new matter.

Please amend the application by entering the newly submitted sequence into the file.
